

## International Mounted Games Association Training and Qualification Sub-Committee

---

### *Work Order Document*

Requested:	10/12/2014
Deadline:	16/09/2015
Reference:	TAQ-201415-003
Name:	Arrangements for 2016 Referees

#### Requirements:

One month prior to the 2015 IMGA AGM we will be asking for applicants to act as chief referees for the 2016 IMGA sanctioned competitions. In order to be able to do so we need certain details from each of the 2016 host nation:

1. How many referees are required
2. Exact location
3. Required arrival and departure times and dates for referees
4. Expectations on referees
5. Will the hosts be providing any financial contribution towards travel costs?
6. Will the hosts provide food and accommodation for the referees?
7. If not, what are the costs likely to be?

The more information we have, the better that will allow potentially interested referees to be able to make a fully informed decision on whether they wish to apply or not.

It is the Training and Qualification sub-committee's responsibility to liaise with the 2016 host nations to obtain this information so that the IMGA Chief referee can pass this information on to the certified referees.

This needs to happen at the very latest by the 16<sup>th</sup> September 2015.

Completed Date:
