Rule Change Request Document

Name: **Jens Martin**

Country: **IMGA Rules Committee**

Summary of Change Requested:

Removal of the Three Legged Sack and Bank Race from the rule book.

Current Rule Book Wording:

Rules Version 3.8

Suggested New Rule Book Wording:

Rules Version 3.9

Reason for Change Request:

The three legged sack race, however fun it may be for juniors, supports the theory that MGA is nothing more than fun games for small children. We can not expect to be taken seriously by organisations such as the FEI if we continue to list games such as this one under our rules. The race has already been removed from World Team Championship competition for this reason.

The Bank race has never been played outside of GB and even within GB is only played rarely. It has been around for a long time now and has not caught on and as such it is unlikely to do so now.

For these reasons, these two races should be removed to simplify the rule book as much as possible.
