

## International Mounted Games Association Rules Committee

---

### *Rule Change Request Document*

Name:	<b>Philippe Gargallo</b>	Country:	<b>Switzerland</b>
-------	--------------------------	----------	--------------------

#### Summary of Change Requested:

We propose that three pairs games should from now on be played by teams : three mug, run and ride, and ball and cone. Indeed, in many countries, we already play these team games and the rules are extremely simple compared to the pairs since in all three cases rider 3 of the team does exactly the same as rider 1 of the pair and rider 4 of the team the same as rider 2 of the pair.

#### Current Rule Book Wording:

N/A

#### Suggested New Rule Book Wording:

Not Given

#### Reason for Change Request:

These are games which are enjoyed by spectators (especially the first two) and we regularly play them at indoor shows, for example.

Reason for Decision:

There were many reasons given both for and against this change request but the fact that there are already a lot of team games in the rule book plus numerous specific concerns about each of the individual games have led to this request being rejected on this occasion.
