Actual Adopted New Rule Book Wording:

N/A

Reason for Decision:

Although there was a general agreement within the committee that this would be a good idea there was no agreement as to how it could be implemented across all MGA playing nations. The decision was therefore made to pass this on to the sub-committee currently putting together a document on how major championships should be organised. These points should be incorporated into that document with a view to testing them for those competitions and revisiting the issue at a later date.
