Rule Change Request Document

Name:	Jens Martin
-------	--------------------

Country:	Luxembourg
----------	-------------------

Summary of Change Requested:

Part 29 of a multi part Rule Change covering all games. Aim is to make the wording of all games consistent.

This one covers Triple Flag.

Current Rule Book Wording:

Individual (2010 rule book) :

The rider rides to the cone, collects a flag and returns to place the flag in the matching colour holder. He/she collects the other 2 flags, one at a time, placing them in the matching coloured holder in each case and crosses the finish line. Flags may only be put into holders from the mounted position at all times.

Suggested New Rule Book Wording:

Individual (proposed for 2012) :

The rider rides to the cone at the changeover end to collect a flag, and rides back to place the flag in the matching colour holder. The two remaining flags are collected individually and placed in the holder in the same way, then the rider rides to cross the Start/Finish line.

The rider must be mounted when placing each flag into the holder (rule CR5.1 does not apply for this action), but if the holder is knocked over all flags may be replaced either mounted or dismounted, providing they had already been placed into the holder prior to it being knocked over. Colour matching of flags and holders must be respected at all times.

Reason for Change Request:

Brings consistency to the wording of all games in the rule book and eliminates “grey areas”.
