Rule Change Request Document

Name:	Jens Martin
-------	--------------------

Country:	IMGA Rules Committee
----------	-----------------------------

Summary of Change Requested:

A number of games rules such as Mug Shuffle specifically state that an attempt has to be made mounted before it can be done from the ground. You would expect there to be something in the competition rules to cover this but it appears to be missing.

Current Rule Book Wording:

Race Distance

CR4.1 All riders and ponies must cross the changeover line in all races except Run and Ride, Speed Weavers, Three Mug and Three Pot Flag Race.

Suggested New Rule Book Wording:

Race Procedure

CR4.1 All riders and ponies must cross the changeover line in all races except Run and Ride, Speed Weavers, Three Mug and Three Pot Flag Race.

CR4.2 Except where modified by the individual race rule, any required action to put an item of equipment on/in or take it off/out of any container, holder or pole must be attempted mounted.

Reason for Change Request:

This appears to be a rather glaring omission from the rules at present.

Actual Adopted New Rule Book Wording:

CR6.1. Except where modified by the individual race rule, any required action to put an item of equipment on/in or take it off/out of any container, holder or pole must be genuinely attempted mounted.
--

Reason for Decision:

This is clearly a gap in the rules and needed to be added.
