### Summary of Change Requested:

All riders to be mounted at the start of a race. Personally I would like this to be all active riders to be mounted.

### Suggested New Rule Book Wording:

CR21.8. All riders taking an active part in any given race must be mounted at the start of that races except where specified in the rules of that race.

This rule will simply be removed entirely.

Reason for Decision:

After some discussion it was agreed that this rule should simply be removed altogether. It is not currently enforced and there doesn't appear any pressing need to introduced a revised version of it either.
