Rule Change Request Document

Name:	Jens Martin

Country:	IMGA Rules Committee
----------	----------------------

Summary of Change Requested:

Add Bank Race as a Pairs Race

Current Rule Book Wording:

N/A

Suggested New Rule Book Wording:

Bank Race

1 cone with number holder and 4 numbers with the red side outwards on the centre line, and 1 bank stand on the 2 metre mark at the changeover end, offset between the bending pole lines.

Rider 1 rides to the cone, collects a number, rides to the stand, hangs the number on a hook on the board with the black side showing.

The remaining three numbers are collected individually from the number holder and hung on a hook on the board with the black side showing by either rider, provided that the second rider collects and hangs the remaining number(s) (at least one) before riding to cross the Start/Finish line.

Riders must place the number they have taken from the cone from the mounted position (rule CR6.1 does not apply for this action). Numbers already on the board which are displaced may be replaced from the ground.

The numbers may be collected from the cone in any order, but must be hung on the board in the correct position so that it reads 1, 0, 0, 0 from left to right with all numbers showing black.

Reason for Change Request:

There seems to be no good reason why this game can not also be played in pairs competitions.
