Summary of Change Requested:

Clarification to the positioning of equipment in Association Race

Current Rule Book Wording:

### **Team**

*This game is played with letters to suit the country in which it is being played, to be decided at the pre-competition briefing.  
These rules use M, G, A, G, and B.*

1 inverted bin on the centre line, and 1 inverted bin on the 2 metre mark at the changeover end, offset between the bending pole lines. 4 containers stacked on the bin at the changeover end marked from top to bottom G, A, G, and M. Rider 1 starts with the white container marked B.

### **Pairs**

Rider 1 starts with the white container marked B.

**Individuals**

*This game is played with letters to suit the country in which it is being played, to be*

*decided at the pre-competition briefing.  
These rules use M, G, A, and G.*

1 inverted bin on the centre line, and 1 inverted bin on the 2 metre mark at the changeover end, offset between the bending pole lines. 3 containers stacked (within the lip of the container below and not on the edge) in the middle of the bin at the changeover end marked from top to bottom A, G, and M. The rider starts with the red container marked G

Reason for Decision:

Makes the equipment set-up clearer and less open to interpretation.
