## *Rule Change Request Document*

Name: **Jens Martin**

Country: **IMGA Rules Committee**

### Summary of Change Requested:

Clarification to the positioning of equipment in Four Flag

### Current Rule Book Wording:

#### **Team**

1 four flag holder in line with the first row of bending poles, and 1 cone holding 4 flags on the 2 metre mark at the changeover end, offset between the bending pole lines.

### Suggested New Rule Book Wording:

#### **Teams**

1 four flag holder in line with the first row of bending poles (with the red tube facing towards the start line) and 1 cone holding 4 flags on the 2 metre mark at the changeover end, offset between the bending pole lines.

The 4 flags must be equally spaced in the cone, with their ends on the ground as far apart as the cone will allow. The tops must form a square with the sides parallel to the start/finish line and the perimeter fence. Coloured flags should be arranged as shown.

Reason for Change Request:

Makes it clear exactly how the equipment is to be set out and ensures that it is the same for all competitors.
