Rule Change Request Document

Name:	Jens Martin
-------	--------------------

Country:	IMGA Rules Committee
----------	-----------------------------

Summary of Change Requested:

Rule change to clarify the phrase "litter cartons close together" in the equipment set-up rules for Litter Lifters across all formats. What exactly does "close together" mean?

Current Rule Book Wording:

Team

1 bin on the centre line, and 4 litter cartons close together on the 2 metre mark at the changeover end, offset between the bending pole lines.

Pairs

1 bin on the centre line, and 4 litter cartons close together on the 2 metre mark at the changeover end, offset between the bending pole lines.

Individuals

1 bucket on the centre line, and 3 litter cartons close together on the 2 metre mark at the changeover end, offset between the bending pole lines.

Suggested New Rule Book Wording:

Team

1 bin on the centre line, and 4 litter cartons touching each other on the 2 metre mark at the changeover end, offset between the bending pole lines.

Pairs

1 bin on the centre line, and 4 litter cartons touching each other on the 2 metre mark at the changeover end, offset between the bending pole lines.

Individuals

1 bucket on the centre line, and 3 litter cartons touching each other on the 2 metre mark at the changeover end, offset between the bending pole lines.

Reason for Change Request:

Removes any element of doubt and reflects common practise.
