Rule Change Request Document

Name: **Jens Martin**

Country: **IMGA Rules Committee**

Summary of Change Requested:

Clarification to the positioning of equipment in Triple Flag

Current Rule Book Wording:

Individual

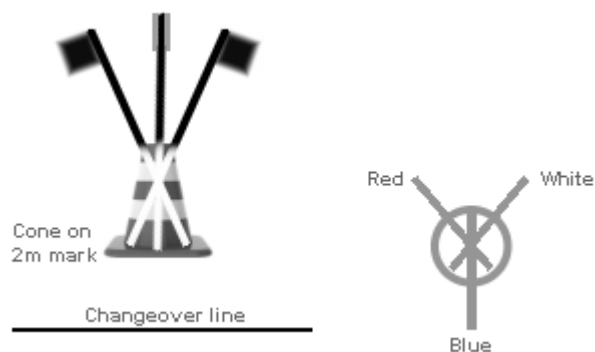

1 triple flag holder in line with the first row of bending poles, and 1 cone holding 3 flags on the 2 metre mark at the changeover end, offset between the bending pole lines.

Suggested New Rule Book Wording:

Individual

1 triple flag holder in line with the first row of bending poles (with the red tube facing towards the start line) and 1 cone holding 3 flags on the 2 metre mark at the changeover end, offset between the bending pole lines.

The 3 flags must be equally spaced in the cone, with their ends on the ground as far apart as the cone will allow. The tops must form a triangle pointing towards the start/finish line. Coloured flags should be arranged as shown.

Reason for Change Request:

Makes it clear exactly how the equipment is to be set out and ensures that it is the same for all competitors.
