Country:	<b>IMGA Rules Committee</b>
----------	-----------------------------

#### Summary of Change Requested:

Make rule GR3.4 clearer so as to make sure it only pertains to equipment actually used in that race.

#### Current Rule Book Wording:

*GR3.4. Waving a piece of equipment by the side of the pony is permissible, provided that the pony is not hit by the piece of equipment.*

#### Suggested New Rule Book Wording:

*GR3.4. Waving a piece of equipment used in a race by the side of the pony is permissible during that race, provided that the pony is not hit by the piece of equipment.*

#### Reason for Change Request:

There is scope for the current rule to be abused and this change would prevent that.
