Rule Change Request Document

Name:	Nikki Carter
-------	---------------------

Country:	England
----------	----------------

Summary of Change Requested:

To correct an error in rule CR1.7

Current Rule Book Wording:

No pony may enter the Penalty box once the race has started, except the next pony to go. Any infringement incurs elimination.

Suggested New Rule Book Wording:

No rider and pony may cross the Penalty Line to enter the Penalty Box once the race has started unless they are the next pony and rider to take part in the game or they are returning to the playing area or Penalty box to complete their part of the game.

Reason for Change Request:

The rule as written does not allow anyone to actually cross the finish line!

The situations that need to be covered are

- Allowing a rider to cross the finish line at the end of their part of a game
- Allowing a rider to come back into the penalty box to rectify a changeover or to correct a mistake in the playing area
- A loose pony running around the arena in and out of the penalty box
