Rule Change Request Document

Name:	Nikki Carter
-------	---------------------

Country:	IMGA
----------	-------------

Summary of Change Requested:

To give a firm definition of the start of the competition

Current Rule Book Wording:

GR1.4. Once a competition has started (i.e. the flag has dropped to signal the start of the first race), the riders and ponies stated on the declaration form of that entry can only be substituted as specified under rule GR1.6.

Suggested New Rule Book Wording:

GR1.4. Once a competition has started (i.e. the flag has dropped to signal the start of the first race of the first heat of the first session for the relevant age group), the riders and ponies stated on the declaration form of that entry can only be substituted as specified under rule GR1.6.

Reason for Change Request:

There is confusion amongst some competition organisers about when the competition starts – the drop of the flag in the relevant heat, the first heat of the first session of any age group....

Personally I can't see it, but it will help them if it is set out in detail
